OUR RANGE SIGNATURE

BLOOMSBURY NV

Bring celebration to life with Ridgeview's most popular choice from our Signature collection. Fresh and fruit-driven, epitomising the Classic Method English style. A pale-gold pioneer that delivers something for everyone.

MEMORABLE MOMENT
The official wine served at Queen Elizabeth II's Diamond Jubilee

CAVENDISH NV

A rich and rounded traditional blend with expressive red berry and almond aromas. Perfectly suited to the winter season, both as a delicious aperitif and beautifully balanced food pairing centrepiece.

MEMORABLE MOMENT
Served at GREAT reception at Lancaster House to the Prime Minister and UK Business Leaders

FITZROVIA ROSÉ NV

An elegant and enticing sparkling rosé with a delicate cherry blossom hue and fruit-driven purity. Ridgeview's Fitzrovia Rosé brings a touch of quality and class to every occasion.

MEMORABLE MOMENT
Served to Barack Obama by Queen Elizabeth II at Buckingham Palace State Banquet

BLANC DE BLANCS 2019

Pure, precise, and finely structured, made in tiny volumes from grapes grown at our iconic home vineyard. This style shows the very best of Chardonnay in the UK.

"An exceptional limited edition...the glories found in this bottle mean there is nowhere else to go other than deploying the infrequently used term Rock Star for this wine. Not only that, this wine has a stadium-filling quality and I say this because the flavour is utterly brilliant"

MATTHEW JUKES, VINEYARD MAGAZINE

BLANC DE NOIRS 2016

A deep, golden colour, rich layers of autumnal fruit unfold to a complex, toasted palate.

"It's a 50/50 blend of pinot noir and pinot meunier grapes, making it a deliciously full-bodied wine. With notes of sweet spices, it has a slight earthiness, partnered with rich fruit, such as cherry, as well as a hint of apricot, making it quite a unique bottle."

THE INDEPENDENT

ROSÉ DE NOIRS 2018

Beautifully elegant rose gold colour with an abundance of fine bubbles. Raspberry notes with a delicate creamy palate.

"Ridgeview set a pretty high bar for quality English sparkling wine... defined by finesse and elegance and that's what you find in their Rosé de Noirs..."

RICHARD BAMFIELD MW

OUR EXCLUSIVE COLLECTION

Distinctive in style and produced in miniscule parcels, our Exclusive Collection showcases the most innovative wines in our portfolio. The Limited Edition Oak and Sparkling Red Reserve beautifully captures our pioneering journey and passion for perfecting the art of English sparkling wine.

*Limited availability, please email Charlie@ridgeview.co.uk to discuss placing an order for these wines.

OAK RESERVE NV

A decadent glittering gold in appearance, aromas of candied citrus peel and caramelised butter lead to a complex, slightly smoky palate. Notes of vanilla, mace and spiced fruit are carried along beautifully by a mouth-watering freshness.

"A beautifully textured wine with heaps of charisma...stunning, unique, utterly divine"

AIDY SMITH, EVENING STANDARD

Decanter World Wine Awards 2023, 93 Points

SPARKLING RED RESERVE NV

A ruby-robed gem of a wine showing vibrant aromas of cherry and vanilla. In the mouth, wild blackberry is finessed by a clean twist of pomegranate and sweet, peppery spice notes with a long and deeply textured finish.

"It is lovely, elegant and full of juicy red cherries, with a through-line of acidity like a telephone wire. I served it blind to wine-buff friends – one of whom is French – with a salt cod salad. They both loved it, although they had, unsurprisingly, no luck guessing its provenance."

BLANC DE BLANCS 2019 & 2010 MAGNUM

BLANC DE BLANCS 2019

Elegant and complex, our Limited Release Blanc de Blancs is the purest expression of the finest handpicked grapes from our home vineyard. Presented in a bespoke gift box, this is an exquisite wine worthy of the greatest of celebrations and will age gracefully over time.

BLANC DE BLANCS 2010 MAGNUM

Considered as the secret to achieving winemaking excellence, a magnum is the favoured format for ageing sparkling wine. With over a decade on lees, Ridgeview's Magnum Blanc de Blancs 2010 has developed a sensational flavour profile with a palate of fresh orchard fruit, citrus tones and distinct notes of honey.

Presented in a luxury gift box, this is a superb sparkling wine that can be enjoyed now or kept for future celebrations.

BLANC DE NOIRS 2016

From our exceptional Limited Release collection, Ridgeview's Blanc de Noirs 2016 offers an abundance of red berry flavours and a complex toasted palate with a delicate mouse. An excellent accompaniment to aperitifs and classic winter dishes. The richest, fullest style of wine we produce makes for a unique gift worth being the table centrepiece on Christmas day.

"Keen to support English wine for our staff Christmas gift, we chose Ridgeview's Blanc de Noirs following a taste test by our Senior Management Team. The bottles were individually boxed giving a real wow factor and we received excellent customer service."

MEGAN WATKINS – BATESWELL

ROSÉ DE NOIRS 2018

Visually stunning, this is a wine of incredible delicacy and abundance of complexity that surprises. A rich and creamy palate with hints of strawberry and a pretty rose petal hue, lends itself for the perfect winter rosé. Not only is it an ideal aperitif, but it's also crafted with food in mind, pairing beautifully with everything from smoked salmon to Thai cuisine.

Platinum winner at the
Decanter Wine Awards 2023
